

European Cruise Service UK Ltd

European Cruise Service UK Ltd, premier cruise tour operator for the UK & Ireland, has built up a formidable reputation over many years for providing quality ground handling and destination management services to the specialist cruise ship market. This prowess stems from our long-standing connections with the cruise lines and the experience some of our staff have of working on board cruise ships giving a great understanding of the product and what is required plus our tourism expertise with many of our staff coming from a tourism background. With offices in Leith (Edinburgh), Kirkwall (Orkney Islands) and Market Harborough (Leicestershire) we can provide first class quality service across the whole of the UK and in Ireland.

Our highly experienced and passionate team offers a full service in cruise itinerary and excursion planning, specialist and niche tour products as well as pre and post cruise programmes. We can provide services for English speaking and foreign language passengers, as well as special interest and VIP tours.

European Cruise Service UK Ltd has an extensive portfolio of tours and services and we are always striving to produce new and innovative products to bring to the cruise market. Our primary purpose is to provide superb value for money, outstanding customer and guest services, quality ground-handling services and a one-stop shop to cruise operators choosing to sail within British and Irish waters.

No matter how small or how large the ship we aim to give an attentive and personalised service, combined with the latest technology that ensures a high degree of quality and first class delivery to our customers.
